SOCA Training Center

The SOCA Training Center is a club operated indoor facility devoted full time toward developing soccer players. The facility is located in Ruckersville, VA, right off of 29 North, just south of the intersection with Route 33. The Facility features one traditional hard surface futsal court and one sport turf futsal court.

All efforts will be made to schedule older and more advanced age groups/divisions on the hard court surface and younger divisions on the turf surface. Divisions can expect to play on only one surface over the course of the event. Event schedules will indicate the playing surface for all matches in the event.

Tournament Scheduling

The tournament is a one-day format. Each team will play a minimum of three games with qualifying teams advancing to post-group play. Teams must be prepared to play any time between 8:00AM and 10:00PM. Matches will consist of two continuously timed twenty minute halves.

All teams are obligated to play all games as scheduled. NO scheduling changes will be made, except those deemed necessary by the Tournament Director. Failure to play any game as scheduled will result in a forfeit of the scheduled match by the team unable to fulfill their obligation. (see "Forfeit" below)

All matches will begin on time, there is no grace period. All teams are expected to report to the Training Center a minimum of 10 minutes prior to the scheduled start of their match. Forfeiture shall be declared to each team and reported to the Tournament Director.

Tournament Divisions

Teams will register by birth year of the oldest player on the roster. All teams must designate as either a boys or girls team (girls may play on a boys team but not vice-versa). HEADING RULE AT AGE GROUP DIVISIONS U11 AND YOUNGER

If the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed inadvertent, then the proper restart is a dropped ball.
