THE ANNUAL SOCA RECREATIONAL PROGRAM FROSTBITE TOURNAMENT

TOURNAMENT RULES

The tournament will be held over the weekend of December 7th and December 8th, 2024. The standard rules for SOCA Recreational Program play will prevail except as specifically amended herein, for the tournament.

In the event of inclement weather prior to the start of the tournament we will have to cancel before starting, full refunds will be returned. Cancellation during the tournament will result in prorated refunds. Withdrawal during the tournament or expulsion of any team will result in no refund.

PURPOSE

The Frostbite Tournament is conducted for the enjoyment of the players. SOCA's goal is to provide recreational players the opportunity to showcase their skills and experience a tournament setting. Players, coaches, and spectators are encouraged to enjoy the fun and challenge of the tournament format. The tournament is intended to be a safe, fun and developmentally challenging experience for all participants.

Participating teams and spectators are expected to exhibit the highest standards of sportsmanship. If, in the opinion of the Tournament Director, the conduct of a team, its coaches, or supporters does not meet these expectations, that team may be prevented from participating further in the tournament. There will be no refunds in the event of such an expulsion.

GENERAL INFORMATION

LOCATIONS:

The Tournament will be played at the SOCA-ACAC South Fork Soccer Park and the Field House at 875 Belvedere Blvd.

REFEREE AND ASSISTANT REFEREES:

For this tournament, a three official system will be used for all matches, other than U-10 matches. For U-10 matches a center referee will be assigned, and each participating team must provide one volunteer linesman. The volunteer linesman will provide assistance on "out of bounds" only. For all other matches a center referee and two assistant referees will be assigned.

As per the Laws of the Game, the referee's authority commences upon his/her arrival at the field of play. All decisions of the referee are final and binding. There are no protests and no appeals.

TOURNAMENT DIRECTOR:

The Tournament Director is the final authority on all matters pertaining to the tournament. All decisions are final. There are no protests and no appeals. The Tournament Director may appoint duly authorized persons to assist with tournament operations at various fields and venues.

SCHEDULING:

All teams are obligated to play all games as scheduled. **NO** scheduling changes will be made, except as indicated by the Tournament Director. Failure to play any game as scheduled will result in a forfeit of the scheduled match, by the team unable to fulfill their obligation. A team that forfeits a match will not be eligible to advance to semi-final or final matches of the tournament.

All matches will begin on time. **There is no grace period.** All teams are expected to report to the proper playing field a minimum of 15 minutes prior to the scheduled start of their match for warm-up and roster verification. Any team unable to field the minimum (7 for 11v11 matches, 6 for 9v9 & 4 for 7v7 matches) allowable players at the appointed start time will forfeit the match. The referee shall determine a team's preparedness at the scheduled start time. Forfeiture shall be declared to the teams' coaches and reported to the Tournament Director.

FORMAT:

Age groupings and division alignments are provided, attached. All teams are guaranteed a minimum of three games.

Division standings will be decided upon the following basis:

Win = 3 points
Tie = 1 point
Loss = 0 points

Ties in placement among divisional opponents will be broken according to the rules listed below.

PLAYING TIME:

The requirement for each player to participate in at least one half of every match applies. Teams failing to comply with the spirit of this policy will face possible forfeiture of matches.

TEAM SIZE:

All teams participating in the tournament are expected to field full teams. The standard Recreational Program procedure of "playing down" to keep both teams at even numbers at the start of games will be waived for the tournament. Any team unable to start a match with a full complement of players is nonetheless expected to play, realizing they will be playing shorthanded.

ELIGIBILITY:

Only current SOCA registered Recreational players may participate in the tournament. These players may play only for the team to which they have been assigned by SOCA. Official SOCA rosters shall determine the eligible players for each team. A maximum of five guest players are permitted on each team. Guest players must be officially registered to a SOCA Recreation team for the current season. All players must have been registered prior to the tournament application deadline.

The Tournament Director, Field Marshals and Match Officials have the authority to verify the identification of all eligible players prior to the start of each match. Participation of unregistered players will result in forfeit of any games in which they participated.

FORFEIT:

Any team forfeiting a match shall be declared the loser by a score of 3-0.

SEPARATION OF TEAMS AND SPECTATORS:

Teams and spectators shall occupy opposite sidelines at each match. The "team" and "spectator" side of each field is designated in the enclosed field location map. Players and coaches only are permitted onto the "team" side of the field.

GAME TIE BREAKING PROCEDURES:

All preliminary round matches ending in a tie at the end of regulation play, shall remain as ties.

In semi-final and final matches only, The following shall apply: if teams are tied at the end of regulation time, two five minute "Golden Goal" overtime periods will be played. The first team to score, regardless of time remaining, wins. There will be a two-minute break between overtime periods. Teams switch ends following the interval.

If the game remains tied at the end of the second period, the winner will be determined using FIFA Kicks from the penalty mark procedures. Only players on the field at the conclusion of the second overtime period will be permitted to participate in the kicks.

GROUP STANDINGS TIE-BREAKING PROCEDURES:

1. Results of head-to-head competition. (*Disregard if more than two teams are tied. Reinstate procedure when back to two teams.*)
2. Goal differential in all preliminary games. Maximum 4 goal differential per game.
3. Fewest penalty points in all games played. Yellow card = 1-point, red card = 2 points
4. Least goals allowed in all preliminary games.
5. Most shutouts. (No goals)
6. If both teams are still tied after steps 1-5, both teams will proceed to an available field, at a time and place determined by the Tournament Director. Here, a FIFA kicks from the penalty mark procedure will be followed to determine a winner.
7. In instances where ties must be broken to determine seeding, but the result does not have a direct impact on the division championship, a coin flip by the Tournament Director will be substituted for step #6.

If a three-way tie exists, the tie-breaking rules will be followed in order until one team is determined to be the higher seed. A two-way tie between the two remaining teams will be decided beginning at step 1.

HOME TEAM:

The home team is listed first in the schedule. The home team shall provide the game ball. If both teams in a match are wearing the same color, the home team shall wear pinnies provided by SOCA.
